

EOF ALUMNI INTEREST GROUP OF RUTGERS UNIVERSITY- NEWARK

EOF ALUMNI OPEN HOUSE 2010
AT THE ACADEMIC
FOUNDATIONS CENTER
EOF DEPARTMENT

It's been a busy year for EOF alumni!

EOF alumni joined together at the first annual EOF Alumni Open House that took place in the Academic Foundations Center, home to EOF and other great programs. This new initiative was developed to bring EOF alumni back to campus to relive and reminisce their experience as EOF students on the Rutgers-Newark campus. Many alumni

were excited to network with undergraduate students, meet current and former staff, and see "what's happening" with EOF today.

Alumni discussed what they are currently doing and how the EOF program impacted their lives. AFC/EOF was excited to hear that many EOF

alumni are interested in coming back and serving as mentors and tutors.

The first meeting has taken place and the EOF alumni along with AFC's Alumni Specialist are planning to implement an efficient system in which alumni are easily accessed in the event an undergraduate is looking for an alumni to serve as a tutor/mentor.
